HIGHLIGHTS

www.6BeverlyRd.com

Beautifully revived, this stunning mid-century home is nestled within a quiet, premier enclave and offers incredible space to enjoy and seasonal skyline views! Well-appointed and versatile living spaces across 3 finished levels include a first-floor primary suite, impressively finished lower level and great room with striking fireplace and cathedral ceiling. The private primary suite will delight with a walk-in dressing room and an en-suite bath with soaking tub, shower and double vanity. The chef's kitchen offers premium appliances and boasts an extra-long island with seating, tile backsplash, chef's faucet, wine cooler and ample cabinet storage. The dining room is nearby. Along the back of the house, find a fantastic family room with access to the patio and yard. An additional bedroom and full bath, plus garage access, completes this level. Upstairs find light-filled bedrooms with great closet space and a large hall bath. The ground level offers exceptional ceiling height and huge spaces to enjoy for leisure and home recreation with access to storage, laundry with wash tub and a bonus full bath with shower. Outside, find a private paver patio surrounded by a manicured lawn with mature trees. Modern kitchen and baths, central air conditioning, newly paved driveway, refinished hardwood floors and stylish lighting are a few of the updates you'll enjoy. Located on a very low-traffic street with easy access to vibrant West Orange, local business centers and NYC transportation! Don't miss!
